I certify that Paklook Air, Inc d/b/a/ Airlift Alaska d/b/a/ Yute Commuter Service has maintained minimum levels of air service as required by the “2021-1-5 Final Order” for the month of February 2021, except for the cover point Newtok with 10 flights, Nightmute with 8 flights, and Platinum with 7 flights. The reason for non-fulfillment is due to several days of bad weather which prohibited us from flying.
